- If you experience any unwanted health effect when using *VEEV* device and *VEEV* pods, consult a health care professional.
- You can report any adverse event or incident directly by contacting your local Call Center (details can be found in the Customer Care & Warranty booklet). By reporting side effects, you can help provide more information on the safety of this product.
- For help or more information call Customer Care 800 11 77 22 or visit [www.veev-vape.com](http://www.veev-vape.com)

Importer: Philip Morris Italia S.r.l, Via Po 11-13-15, 00198 Rome, Italy.

## **INFORMATION FOR DISPOSING OF *VEEV* pods**

### **Valid across European Union and EEA**

This symbol on the product or on its packaging indicates that this product and its individual parts must not be disposed of with your other household waste. Instead, it is your responsibility to dispose of your waste equipment by handing it over to a designated collection point for the recycling of waste electrical and electronic equipment. The waste equipment can

be returned free of charge to the point of sale in case of the purchase of a new device or replacement of the same device in application of the warranty. The waste equipment can be returned in any case free of charge to points of sale where the sales area for electrical and electronic equipment ("EEE") is larger than 400 square meters. The separate collection and recycling of your waste equipment at the time of disposal will help to conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. Disposing waste equipment as unsorted municipal waste (e.g. by waste incineration or land filling) can have negative effects on the environment and human health. For more information about where you can drop off your waste equipment for recycling, please contact your local city office, your local household waste disposal service or the shop where you purchased the product. The local importer of the product will provide for the financing of the treatment and recycling of waste equipment returned through these designated collection points in accordance with local requirements.
